

TRL Deluxe Cart Assembly Instructions

Model # CART-TRL32-DC / CART-TRL38-DC / CART-TRLD44-DC

STEP 1: 2 people recommended for this assembly. Remove packaging and protective film from surface of cart (it is normal to see residue from protective film and recommended to wipe down cart with stainless steel cleaner once removed).

STEP 2: Lean Cart backwards onto a protected surface. Attach four casters (#1) using 4 pcs of 10 x24 screws per caster (Place locking casters in front positions).

STEP 3: Using the flat head screws provided attach the REAR shelf brackets (#2A).

STEP 4: With rear bracket in place put rear peg of the cart shelf (#3) through rear shelf bracket (#2A). Put front shelf bracket (#2B) through front shelf peg and secure using remaining flat head screws.

STEP 5: Attach grill to cart with 2 pcs of M5 screws underneath the grill in the rear.
